

Trip Information

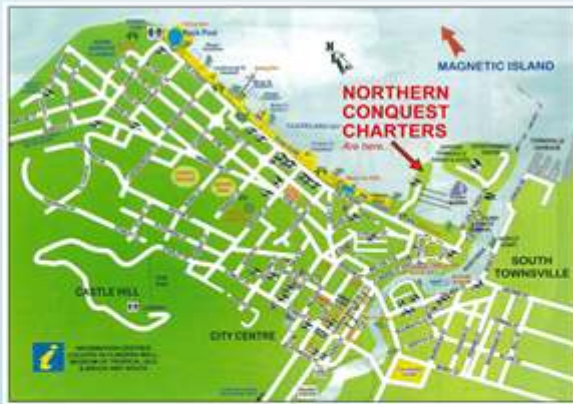

We thank you for choosing your fishing adventure with us. Northern Conquest Charters provides the Skipper, the Chef, and all the professional crew needed to make your experience one to remember.

Payment

We require 25% deposit upon booking, and full amount two weeks prior to departure.

Departure

We depart from Breakwater Marina Townsville, and we ask that all clients attend the office an hour prior to departure time to sign in.

Meals

All of our trips provide a wide variety of quality cooked meals and drinks (non alcoholic) and can cater for all diets. You are more than welcome to bring along alcoholic drinks.

Travel Insurance

We strongly recommend that all our Clients take travel insurance for their trips. You can save 20% by booking your travel insurance through our website at www.nccharters.com.au and follow the links. It is rare that we are forced to cancel a charter, however, due to the unpredictable nature of the sea and the weather it does happen, and we believe travel insurance is a wise investment against the unforeseen. This insurance does not only cover the cost of the charter but other expenses, such as airline tickets, accommodation, replacement of damage gear, just to name a few.
